## **Individual Sponsorship Levels**

### ***Why sponsor the Shawano Folk Music Festival?***

It's an investment in your community. Since 1979, the Festival has been an important part of the cultural life of the Shawano area and the Midwest, offering live music, crafts and dance in a family-friendly atmosphere. Because we operate as part of the Shawano County Arts Council (SCAC), a 501(c)(3) organization, your gift is tax-deductible. Please join us. Give generously.
